AFFILIATE UNIVERSITIES AND INSTITUTES

Victorville Park University is always making efforts to spread online education all across the globe. One such effort also includes forming strategic alliances and partnerships with renowned and reputable educational institutes and universities in the world. The affiliated institutes can now offer online courses to their students through the virtual classrooms of Victorville Park . This feature has proved to be highly beneficial for students that are unable to pursue their campus-based classes because of work or personal commitments. They can now access Victorville Park's classrooms anytime of the day and complete their education according to their own time and pace.

Victorville Park University's high approval rating among partner educational institutes worldwide is another sign of the confidence and trust the global education industry has on us.

CORPORATE ALLIANCES

To facilitate the university's internship and placement programs, Victorville Park has partnered with the world's top employers. This program has helped students acquire internships and lucrative jobs at renowned organizations.

ACHIEVING ACADEMIC EXCELLENCE THROUGH OUR PROGRAMS

Victorville Park University offers 1,100 accredited programs in 16 fields of study. All of these departments designed and developed according to the modern trends and needs of the current and future economies. Such a diversified academic profile of Victorville Park allows students to pursue their education in the field they desire.

STUDENT SUPPORT AVAILABLE 24X7

We are here to help you achieve your goals for your career and education right when you plan them. We provide a dedicated team of advisors to our students to support them from the day they enroll to the day they graduate.

ENROLLMENT ADVISOR

Your enrollment advisor will walk you through the entire admission process and answer all your questions about programs, fees, financial assistance and everything you need to do before you begin your classes. S/He will also give you relevant information about transfer of educational and prior learning credits. Together, you and your advisor will create an educational plan that will help you earn your degree according to your own terms.

ACADEMIC ADVISOR

Your academic advisor will be available for you throughout your association with Victorville Park. S/He will not only help you select your courses, but will also activate the online classrooms and schedule your classes. S/He will be there to support you at every step of the way from the day you enroll to the day you graduate. Additionally, he will act as a financial advisor, telling you everything you need to know about the financial options available to you, including scholarship, grants, fee payment options and other services.

CAREER ADVISOR

A career advisor will be available for you if you decide to benefit from career services. The advisor will help you enhance your employability by helping you draft your resume, build your professional network, give you interview tips, improve your salary negotiation skills and much more!

Additionally, he will also keep you updated about the job vacancies available in your preferred region through job posting.

ACADEMIC OFFERINGS

VICTORVILLE PARK SCHOLARSHIP PROGRAM

In collaboration with Working Adults Learning Association (WALA), Victorville Park University offers financial scholarship to its students. This scholarship is awarded on need and/or merit basis. Students who qualify for the Victorville Park Scholarship Program can complete their academic program in as low as \$1699. If you want to study from the one of the best online universities globally without being burdened by the financial aspects, you may apply for this scholarship. Those considered eligible for the scholarship include veterans, military officials, job seekers, home school students and working adults.

HOW CAN YOU APPLY?

You can express their interest in scholarship when you apply

Specify the category for which you qualify. For example, if you are a working adult, select that option when asked.

Complete your admission formalities

FEE REDUCTION METHODS

In addition to a scholarship, Victorville Park University has introduced many ways through which a student can get a substantial reduction both in his program fees and time needed to complete the education

CREDIT TRANSFERS

If you have already studied some of the courses, we are willing to transfer their credits to your current program and reduce the equivalent from your program. Our transfer credit facility has helped hundreds of students finish their program much before than they expected. Also, since you won't be studying those courses again you won't have to pay for them either, thus the overall cost of your program will also reduce.

PRIOR LEARNING

You can also get credits based on your prior work and life experience. If you have earned any experience through trainings, job or workshop which you believe comprehends with your courses then you can apply for credit transfer. Our prior learning assessment team after analyzing your past experience will transfer your credits accordingly, reducing both time and money required to earn your degree.

EMPLOYER TUITION REIMBURSEMENT PROGRAM

Many employers around the world offer the benefit of reimbursing tuition fees. Some also reimburse the cost of study materials. You can ask the HR department of your organization about this. If you need any help in preparing your case for this benefit, you can contact our consultants anytime.

FEE REDUCTION METHODS

Victorville Park University strives to provide you with quality education through its world-class undergraduate and graduate educational programs. Our industry responsive curriculum is designed in collaboration with academic and industry professionals to ensure that you have all the relevant knowledge and skills required to compete in today's competitive job market. At Victorville Park University students can pursue studies at their own pace and choose from 1,100 degree programs that no other university offers.
